

# illumina Supplier Day 2024

Forward together.  
Progress for all.

# Welcome to Illumina Supplier Day 2024

“ Illumina suppliers are essential partners in our success—**driving innovation, quality, and value** in everything we do. We’re excited to learn from and grow with each of you and to recognize your contributions at the upcoming Illumina Supplier Day 2024. This is an opportunity to strengthen our collaboration and share our new strategic direction and initiatives.

**Kevin Pegels**  
Chief of Global Operations

7:30 AM | BREAKFAST

8:00 AM | Welcome announcements

Speaker: Peter Goold

Peter Goold is the Sr. Director of the Illumina Supply Chain Logistics team with 35 years of experience in manufacturing operations, supply chain planning, procurement, and logistics. His passions include strategic supply chain improvement design and delivery programs, driving outcomes that improve customer experience, cost, and environmental benefits.

✓ You will get a brief overview of who Illumina is, why its mission matters, and today’s agenda.

8:07 AM | Leading the next era of genomics growth and innovation

Speaker: Jacob Thaysen

Jacob Thaysen joined Illumina as CEO in September 2023. With deep technological and operational leadership experience from the clinical diagnostics and genomics industry, Jacob brings a fresh perspective and a demonstrated track record of driving growth and bringing innovative technologies to the market. Passionate about Illumina customers and the patients they serve, he has a clear vision of what next-generation sequencing will mean to the future of healthcare.

✓ You will hear directly from our new CEO, gain key insights into the genomics industry, and see how the Illumina mission and new strategy are leading the way. Most importantly, you will learn how essential suppliers like you are to our success.

### 8:30 AM | Global operations strategy

Speaker: Kevin Pegels

Kevin Pegels, the Illumina Chief of Global Operations, has +20 years of senior leadership roles leading supply chain and operations organizations as well as advising companies on supply chain, operations strategy, and process improvement. He is responsible for manufacturing, supply chain, life cycle management, global facilities, and real estate teams who are committed to ensuring high product quality and customer satisfaction.

- ✔ Hear the Illumina Chief of Global Operations discuss how the company leads the fast-growing genomics sequencing industry through innovation and operational excellence. You'll also learn about the crucial role our suppliers play in maintaining this success.

---

### 8:52 AM | How Supply Chain will power the Illumina strategy

Speaker: Stuart Poll

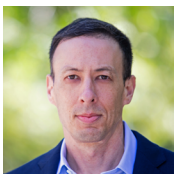

Stuart Poll is the Illumina Vice President of Global Supply Chain, with 30 years of experience in Supply Chain leadership roles across FMCG and Life Sciences. He is leading the transformation of the Illumina Global Supply Chain across Plan, Source, and Deliver. Known for his customer centric, innovative approach, and strategic vision, Stuart has a proven track record of partnering to deliver transformative results.

- ✔ You will hear from the Illumina VP of Global Supply Chain about our plan to increase spending with strategic suppliers like you to support our strategic initiatives, execute our new strategy, and accomplish our mission to unlock the power of the genome to improve human health.

---

### 9:07 AM | Bringing transformative technology to the marketplace

Speaker: Mark Wang

Mark Wang is the Illumina Vice President and Head of Sequencing Platforms overseeing a global engineering and system integration department developing next generation DNA sequencing systems for research and clinical use. Mark has been involved in the development of Illumina's sequencing instrument platforms for the past decade including HiSeq, MiSeq, NextSeq, NovaSeq, and iSeq as well as Illumina's microarray products including iScan. Prior to joining Illumina, Mark led research of novel photonic and microfluidic technologies at Genoptix and Ziva. He earned a Ph.D. in Electrical Engineering from the University of California, San Diego and a bachelor's degree in Physics from Stanford University, and holds 20 US patents.

- ✔ You will hear from the Illumina sequencing platforms lead about genomics sequencing breakthroughs fueled in part by supplier-led innovations from great companies like yours. You will also learn about changes in our product development process to accelerate new product releases and achieve new groundbreaking advancements in genomics sequencing with your support.

### 9:25 AM | Q&A: Executive leadership team fireside chat

Moderator: Peter Goold

- ✓ You will have the unique opportunity to engage directly with Illumina decision makers to gain insights into the company's direction and, priorities, to ask clarifying questions concerning the new strategy, and to learn more about other areas of interest you may have.

### 9:45 AM | COFFEE BREAK & STRETCH

### 10:05 AM | A patient's personal story

Speaker: Mike Graglia

Mike Graglia is the Managing Director and Founder at the SYNGAP Research Fund with a career background in public policy, international development, and strategy. He founded the organization after his son was diagnosed with SYNGAP 1 - related disorders in 2018. His mission for the organization is to accelerate the science around SYNGAP 1 to ensure there is a therapy developed in a timeframe that matters for his son and children like him.

- ✓ You will explore how genomic sequencing is transforming healthcare by delivering real-world benefits to everyday people like Mike's son, leading to better outcomes.

### 10:25 AM | How genomics can help patients at scale

Speaker: Angela Ryan

Angela Ryan is Illumina VP of Clinical Sequencing Solutions Product Management and Marketing with +30 years of experience in Life Sciences and Diagnostics. Her passion is bringing new technologies to the world that will positively impact outcomes for you, your families, and the world.

- ✓ You will learn how Illumina products are positively impacting patients at scale and how suppliers can help improve their outcomes.

### 10:45 AM | Integrating sustainability in everything we do

Speakers: Nathan Sanfaçon and Kara Seliga

Nathan Sanfaçon is a Corporate Social Responsibility Manager at Illumina with close to 10 years of experience in corporate sustainability. He is passionate about integrating sustainability across the value chain of the business to better manage risk and drive positive impact for all stakeholders.

Kara Seliga is a CSR Reporting and Sustainability Manager with nine years of experience in sustainability and environmental compliance. Her passion is tackling today's sustainability challenges through strategic measures to ensure a brighter future for both us and generations to come.

- ✔ You'll gain insights into the growing demand from customers and regulators for transparency and sustainability. Learn about the Illumina strategy to meet these expectations, our progress to date, and how suppliers can play a pivotal role in advancing our future CSR goals.

---

### 11:05 AM | Enabling a culture of quality

Speakers: Ragini Ayengar and Michael Cheng Hock Tan

Ragini Ayengar, Director of Supplier Quality at Illumina, brings 19 years of expertise in medical device quality and operations, spanning NPI and sustaining activities. Driven by her belief that great health is the foundation of everything, Ragini is passionate about collaborating with innovative partners (like you) to create a lasting impact beyond Illumina.

Michael Tan has been the Illumina Singapore Sr. Supplier Quality Manager since 2018, with 35 years of experience in Quality and Supplier Quality management. Over the last 10 years at Illumina, his focus has been ensuring suppliers consistently manufacture quality materials to support our mission of improving human health by unlocking the power of the genome.

- ✔ You will discover the Illumina commitment to enabling a culture of quality and how suppliers can be key partners on this journey.

---

### 11:25 AM | Q&A: Fireside chat

Moderator: Peter Goold

- ✔ You will have the opportunity to engage directly with the Illumina VP of Product Management, Global Supplier Quality team, and Global Corporate Social Responsibility (CSR) team to ask questions and gain insights on previously discussed topics.

11:50 AM | LUNCH

1:00 PM | **Connected Orchestrated Innovative Network (COIN)**

**Speakers: Gabriela Gaseta, Peter Goold, Adi Ramani, Leon Trevett**

Gabriela Gaseta is Sr. Manager of the Illumina Strategic Sourcing Business Process team with +21 years of experience leading supply chain transformations. Her passion is unlocking the power of process and digitalization to achieve best-in-class operations, starting from the supply source.

Peter Goold, Sr. Director of the Illumina Supply Chain Logistics, brings 35 years of expertise across manufacturing, supply chain planning, procurement, and logistics. He is passionate about designing and executing strategic supply chain improvements that enhance customer experience, reduce costs, and drive environmental sustainability.

Adi Ramani leads Supply Chain Process Excellence at Illumina, bringing +15 years of experience. His team is dedicated to optimizing supply chain operations through continuous improvement and fostering effective collaboration across all partners, driving efficiency throughout the Illumina supply chain.

Leon Trevett is the leader for Global Integrated Planning at Illumina. With +30 years of experience as a global supply chain executive, he has a proven track record of driving exceptional supply chain performance and leading high-performing teams. Leon specializes in implementing innovative business processes that enhance operational efficiency, delight customers, and fuel business growth.

- ✔ You'll learn about the Illumina COIN strategy to build a more Connected, Orchestrated, Innovative, and optimized supply chain Network. Discover how suppliers can play a key role in supporting and advancing this vision.

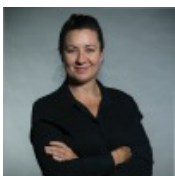

---

1:40 PM | **Total cost solutions**

**Speakers: Jarret Southern and Victoria Goddard**

Jarret Southern, Sr. Staff Program Manager for the Illumina supply chain organization, has +10 years of experience collaborating with cross-functional teams and guiding leaders with data-driven insights. His focus is on enhancing profitability through cost management, optimizing supply chain processes, and implementing new capabilities in sourcing and procurement.

Victoria Goddard, the Illumina Director of Supply Chain Europe & Toll Manufacturing, brings 18 years of expertise in pharma and biotech research and operations. Her focus is on driving innovative, efficient solutions that ensure a right-first-time approach, supporting proactive healthcare for patients and families.

- ✔ You will learn about our drive for total cost solutions through two tools that require deep collaboration to create win-win scenarios for Illumina, suppliers, customers, and patients alike.

## 2:20 PM | Elevating compliance: Partnering for excellence in EHS

Speaker: Matthew Rorro

Matthew Rorro is the Illumina Associate Director of America's Environmental Health and Safety programs with a Masters in Public Health and 10+ years of experience in Life Sciences. He is passionate about creating safe and healthy workplaces for workers and protecting the environment.

- ✓ You will learn how Illumina and suppliers can collaborate to achieve EHS excellence in with regards to SDS and PFAs regulations.

---

## 2:40 PM | Q&A: Fireside chat

Moderator: Peter Goold

- ✓ You will have the opportunity to engage directly with leaders of the Illumina supply chain's strategic initiatives to ask questions and gain insights on previously discussed topics.

## 3:00 PM | COFFEE BREAK & STRETCH

## 3:20 PM | Awards ceremony

Moderator: Peter Goold

- ✓ We will proudly announce and recognize the winners of the Illumina 2024 Supplier Day awards.
  - The Illumina Spirit Innovation of Award
  - The Illumina Spirit of Sustainability Award
  - The Illumina Spirit of Quality Award
  - The Illumina Spirit of Value Award
  - The Illumina Spirit of Reliability Award
  - The Illumina Supplier of the Year Award

4:50 PM | Closing remarks

Speakers: Stuart Poll

5:00 PM – 6:30 PM | COCKTAIL RECEPTION
